

EH-10660

REMARKS

The Examiner's Amendment of 05 October 2004 ("Examiner's Amendment") attempts to replicate Applicant's proposed amendment submitted to the Examiner on 30 September 2004 ("Proposed Amendment"). However, the Examiner's Amendment introduces a grammatical error to claims and omitted one change that appeared in the Proposed Amendment. This Amendment corrects a grammatical error in claim 17 and includes the change to claim 12 from the Proposed Amendment (*i.e.* deletion of *whereas* clause) omitted by the Examiner's Amendment.

This Amendment accompanies payment of the issue fee. Furthermore, this Amendment does not introduce new matter. Applicants request that the Examiner allow entry of the Amendment.
